

FOR EVERYONE EVERYWHERE, EVERY PLACE, EVERY HOME

Spotless 6% Bleach

SKU: 140 DOM*

Spotless 6% Bleach is a universal disinfectant bleach. It is a yellow thin liquid with a characteristic chlorine odour. This product offers excellent disinfection properties against virulent organisms, especially gram negative rods which are becoming increasingly troublesome to control due to increasing incidence of acquired resistance.

Chlorine compounds are well recognised as a disinfectant for selected applications in hospitals and more recently greater emphasis is being placed on the use of these compounds.
