AIR DEODORISER

Neutralise odours whilst diffusing a blood orange fragrance for fresh smelling spaces all day long.

Dominant have introduced an Air Deodoriser to their Ready to Use range of products. The Air Deodoriser will target unwanted odours and freshen the air at the same time. It won't just mask odours, it will neutralise them at their source leaving a lasting fragrance. The blood orange fragrance will provide optimum odour control with its lingering formula creating a pleasant atmosphere.

Ideal for use in workplaces, aged care facilities, hotels, child care centres, baby change areas and more.

- ✓ Fresh blood orange fragrance

Dominant Air Deodoriser is an eco-friendly product with recyclable packaging, and a biodegradable formula that is both garden and septic safe.

POWERED BY PLANTS

INGREDIENT	ORIGIN	USED FOR
D-limonene	Orange peel extract	Uplifting fragrance

DIRECTIONS

Spray a mist directly onto sources of unwanted odours to deodorise and freshen at the source. Spray into bins/waste disposal units, in drains and toilet bowls to neutralise malodours. For fabric and upholstery, spray from 1 metre away and allow mist to settle on the surface.
