

DESCALER

Kitchen Equipment Descaler

→ DESCRIPTION

A synergistic blend of organic acids that work together to give rapid and effective descaling ability.

→ BENEFITS

- Pre proportioned sachets for efficient storage and accurate dosage of product
- Can be used on a wide range of equipment including dishwashers, kettles, urns, bain maries and combi ovens
- Safe to use for all aluminum, brass and stainless steel parts

→ APPLICATION

Dominant Descaler is designed for descaling dishwashers, kettles, urns, bain maries, combi ovens and other equipment.

→ DIRECTIONS FOR USE

FOR BAIN MARIES, KETTLES & URNS

Preparation: Add 1 sachet per 1 Litre of cold water. Boil the water and then discard the boiled solution. Rinse appliance with clean fresh water after use.

FOR DISHWASHERS

Preparation: For domestic type machines fill dispenser and run cycle empty. For commercial machines add 2 sachets, run 3 cycles, then dump and rinse.
