Safe on most surfaces with occasional contact

## → AVAILABLE IN

Product	Code
2 x 5L Protekta Valve Bottle	C11593

RECYCLABLE  
PACKAGING

SEPTIC  
SAFE

## → DIRECTIONS FOR USE

Use in conjunction with Dominant's other Micro Active System products such as Micro Break, Suds, and Soft for best results. Dispense using Dominant's Micro Active System Dispenser. This automatically feeds Micro Oxy directly to the washing machine at accurate dosage.

Your Dominant Technical Representative will install and monitor the system to ensure compliant results every wash. To change bottles unscrew the pickup connector from the empty bottle, remove the cap from the new bottle and screw on pickup connector.
