

Graffiti Remover

Remove graffiti safely, effectively and fast with Dominant's Graffiti Remover.

No damage to surfaces

Graffiti Remover contains a special blend of solvents that swiftly removes marks yet is gentle on surfaces. Graffiti Remover is recommended for use in brickwork concrete, fibreglass, wood, laminate, stainless steel, glass aluminium, carpet, clothing and related surfaces.

Graffiti Remover is a low-toxic formula, classified by transport companies as non-toxic. Professional strength, the formula is completely biodegradable in recyclable packaging, therefore environmentally friendly.

Convenient, easy to store

Graffiti Remover comes in a convenient one litre bottle, making it a handy size for the transporting and carrying around.

- ✓ Australian made and owned
- ✓ Eco-friendly
