

DEGREASER

Heavy Duty Degreaser

→ DESCRIPTION

A heavy-duty degreaser that gives excellent removal of oily and greasy soils. Available as a powder in pre-measured sachets for dilution at site.

→ BENEFITS

- Quick-dissolve powder formula to reduce shipping of water
- Pre proportioned sachets for efficient storage and accurate dosage of product
- Cuts through heavy grease and fat deposits with ease
- An excellent cleaning agent for soils in kitchens and other food processing areas
- Contains readily biodegradable surfactants

→ APPLICATION

Suitable for use for general cleaning, industrial oil removal, and in food manufacturing to clean walls, floors and equipment.

→ DIRECTIONS FOR USE

Preparation: Empty sachet into bottle with 750mL cold water. Cap and tighten bottle and swirl until powder is dissolved.

Directions for use: Apply directly onto surface and wipe off with a clean cloth or paper towel. Alternatively, apply product to a clean cloth and wipe surface. **All food contact surfaces must be rinsed with potable water after use.**
