

## CLEAN

## Neutral Hard Surface Cleaner

### → DESCRIPTION

An effective hard surface cleaner for cleaning floors and other surfaces. Available as a powder in pre-measured sachets for dilution at site.

### → BENEFITS

- Quick-dissolve powder formula to reduce shipping of water
- Pre proportioned sachets for efficient storage and accurate dosage of product
- Leaves surfaces sparkling with a pleasant fragrance
- Effortlessly clean scuff marks and any spillage
- Contains readily biodegradable surfactants

### → APPLICATION

For use on all washable hard surfaces.

### → DIRECTIONS FOR USE

#### FOR FLOOR CLEANING:

**Preparation:** Fill bucket with 10L warm water and slowly add sachet. Stir to dissolve with mop head. Once dissolved, product is ready to use.

**Directions for use:** Apply onto floors with a mop using a figure eight movement to ensure entire surface is cleaned thoroughly.

#### FOR GENERAL HARD-SURFACE CLEANING:

**Preparation:** Empty sachet into a bottle with 750mL cold water. Cap and tighten bottle and swirl until powder is dissolved.

**Directions for use:** Apply onto surface and wipe off with a clean cloth or paper towel. Alternatively, apply product to a clean cloth and wipe surface.
