

BREAKAWAY

Heavy Duty Alkaline Cleaner

→ DESCRIPTION

A concentrated alkaline cleaner with exceptional grease cutting performance for kitchens and food processing areas.

→ BENEFITS

- Highly effective cleaner for the removal of greases and fats
- Suitable for heavily soiled areas such as abattoirs, boning rooms and commercial kitchens
- Ideal for cleaning before disinfecting with a quaternary ammonium sanitiser as the surfactants are compatible
- Creates stable foam when used through foaming equipment, giving long contact time and increased cleaning ability

→ APPLICATION

Suitable for use for general cleaning as well as through foaming equipment in meat processing areas and commercial kitchens.

→ DIRECTIONS FOR USE

Breakaway works best in warm to hot water as this softens fatty deposits making them easier to remove. If blood is present always rinse with cold water first to prevent setting.

All food contact surfaces must be rinsed with fresh water after use.

Application	Surface Soil Level	Dilution Rate	Dilution Rate in mL's
Spray & Wipe	Heavy	1:10	80mL/750mL
Spray & Wipe	General Cleaning	1:25	40mL/750mL
Bucket	Heavy	1:40	25mL/L
Bucket	General Cleaning	1:80	12mL/L

Not recommended for scrubbing machines due to the high foam level.

→ TECHNICAL INFO

Fragrance	Colour	Form	pH Level
No Added Fragrance	Pale Yellow	Liquid	13.4

Incompatible surfaces

Do not use use to clean aluminium
