## → APPLICATION

For use in commercial kitchens as a part of the Dominant Bright Commercial Dishwashing System.

## → DIRECTIONS FOR USE

Your Dominant Technical Representative will install and monitor the system. To change bottles unscrew the pickup connector from the empty bottle, remove the cap from the new bottle and screw on pickup connector.

Bright Clean contains chlorine. Always store in a cool area. As chlorinated products naturally degrade over time, use old stock first to ensure the product has maximum chlorine content. Store in a secure area that can be locked and segregate from acids.

Never add manually or use for manual dishwashing.
