

CLEAN PALMS

Hand Wash

→ DESCRIPTION

A highly economical, pH neutral hand wash.

→ BENEFITS

- Contains plant-based cleansers derived from coconut oil
- pH neutral 5.5 to match skin pH
- Available in bulk for maximum economy.
- Lemon fragrance
- Will not leave soap scum in hard water areas, making basins much easier to clean
- Formulated with a blend of gentle biodegradable skin cleansers

→ APPLICATION

Clean Palms is suitable for use across a wide range of industries from Aged Care to Hospitality.

→ DIRECTIONS FOR USE

Wet hands and pump one or two times to dispense product onto the hands. Work up to a lather, then rinse off and dry hands. Clean Palms is designed for use in refillable soap dispensers for maximum economy.

Refillable dispensers should be washed and dried before refilling for maximum hygiene. If this is not possible, then always refill when the dispensers are empty or nearly empty.

Always refill with the neat product. Do not dilute with water as this will reduce the level of the preservative.
