MOTEL

Laundry Powder

→ DESCRIPTION

Premium laundry powder for top and front loading washing machines. Contains an activated oxygen bleach system and stain removing enzymes to provide brilliant results.

→ BENEFITS

→ Contains activated oxygen bleach to boost colour-safe bleaching and antimicrobial function

→ A blend of enzymes work together for outstanding stain removal including protease enzyme to assist in the breakdown of any protein stains

→ Built-in corrosion inhibitors protect the washing machine

→ No caustic ingredients

→ Contains water softening agents for enhanced performance, especially in hard water areas. Can also be used as a soaker for heavily soiled items

→ Suitable for use in top and front loading washing machines

→ Biodegradable and septic safe

→ Can be used on all normal washable fabrics.

→ APPLICATION

Motel can be used in commercial and domestic front and top loading washing machines.

→ DIRECTIONS FOR USE

Best results are achieved when used at 50-60°C as the oxygen bleach requires heat to work most effectively. The quantity may be reduced in soft water or if soiling is light. For heavy soiling increase dosage.

DOMESTIC TOP LOADER

WASHING MACHINE CAPACITY				
Machine Size	4kg	6kg	8kg	10kg
Grams per wash	100g	150g	200g	250g
