

MICRO SUDS

Laundry Detergent

→ DESCRIPTION

Micro Suds forms part of the Micro Active Laundry System. It features a Protekta® Cap for safe connection to the Micro Active feeder.

→ BENEFITS

- Highly concentrated, biodegradable, low foaming laundry detergent that removes the toughest stains
- Contains an enzyme blend to break down specific stains including protein, fat and carbohydrate based soils
- Sequestrants assist in controlling water hardness, allowing the detergents to perform at optimum function
- Non-dangerous
- Automatically feeds directly to the washing machine at accurate dosage
- Featuring Dominant's proprietary Protekta® Cap, a no touch system ensuring staff are never exposed to the product
- Lightweight packaging with minimal bottle change over
- Wash discharge is always within water authority limits and safe for septic systems

→ APPLICATION

For use in commercial laundries through Dominant's Micro Active Laundry System.

DEGRADABLE

SEPTIC
SAFE

→ DIRECTIONS FOR USE

Use in conjunction with Dominant's other Micro Active System products such as Micro Oxy, Break, and Soft for best results. Dispense using Dominant's Micro Active System Dispenser. This automatically feeds Micro Suds directly to the washing machine at accurate dosage.

Your Dominant Technical Representative will install and monitor the system to ensure compliant results every wash.

To change bottles unscrew the pickup connector from the empty bottle, remove the cap from the new bottle and screw on pickup connector.
