

HD SCRUBBER

Heavy Duty Low Foaming Cleaner

→ DESCRIPTION

A heavy duty cleaner with a low foam profile for cleaning floors and equipment in food preparation and industrial areas.

→ BENEFITS

- Heavy duty cleaner
- The low foam profile makes it suitable for cleaning floors and equipment in food preparation and industrial areas
- Suitable for use in floor scrubbing machines that pick up detergent residues
- Strongly alkaline making it suitable for use in heavily soiled areas

→ APPLICATION

HD Scrubber is recommended for cleaning food preparation areas such as abattoirs, boning rooms, wineries, fish processors and in industrial areas.

DEGRADABLE

→ DIRECTIONS FOR USE

HD Scrubber can be used in scrubbing machines, through high pressure cleaners or manually.

Can be used in cold or hot water.

Rinse all food contact surfaces with potable water after use.

GENERAL CLEANING:

Light Soiling: Use at a dilution of 1:80 (60mL/5L).

Medium Soiling: Use at a dilution of 1:40 (125mL/5L).

Very Heavy Soiling: Use at a dilution of 1:20 (250mL/5L).

If used on painted surfaces, test on small area first to ensure paint is chemical resistant.

Do not use strong solutions on aluminium equipment.
