

# COMBI CLEAN

# Combi Oven Cleaner

## → DESCRIPTION

High strength caustic cleaner for Combi Ovens.

## → BENEFITS

- Removes oil, fats and baked-on deposits from combi-oven interior surfaces
- Strongly caustic, potassium hydroxide based formula
- Low foaming
- Contains scale-inhibitors to reduce hard water scale build-up
- Built-in corrosion inhibitors
- Highly concentrated and economical

## → APPLICATION

For use in commercial Combi Ovens or CIP fitted with and automatic cleaning feature.

## → DIRECTIONS FOR USE

Combi Clean is automatically dispensed by an electronic feeder. Never add manually or use for manual cleaning. Simply change the drum when empty.

### Dosage rates

Use Combi Clean at 3g/L up to 5g/L for cold water cleaning. The normal dosage rate will depend on the level of soiling, the temperature of use and effectiveness of the machine.

Store in a secure area that can be locked and segregate from any incompatible materials.
