

Potassium Plus

Reference Table

Usage Table

Use the amounts shown in Table 1 as a usage guide. After a while, the operators will be able to establish the optimum amounts needed for each tank

Table 1. Amount of Potassium Plus (kg) required to clean tanks with light, medium or heavy tartrate deposit

Tank Size (L)	Light Deposit	Medium Deposit	Heavy Deposit
10,000	3	4	6
20,000	4	5	8
50,000	6	10	15
100,000	10	15	22
200,000	15	20	30
500,000	20	30	45
