

BRIGHT SHINE LF

Low Foaming Rinse Aid

→ DESCRIPTION

An effective and economical low foaming rinse aid for commercial dishwasher machines, as well as larger flight conveyor machines, with high levels of water recycling.

→ BENEFITS

- Contains special biodegradable detergents that are low-foaming at a range of temperatures
- A highly acidic rinse aid that leaves a sparkling finish on glasses and crockery
- Economical
- Contains scale control agents to prevent scale build-up in rinse jets
- Fitted with the Dominant Protekta® Cap system, preventing contact with the product when changing drums

→ APPLICATION

Bright Shine LF is suitable for all commercial dishwashers with a feeder system attached.

→ DIRECTIONS FOR USE

COMMERCIAL DISHWASHERS

Bright Shine LF is automatically dispensed by a commercial dishwasher feeder.

Your Dominant Technical Representative will install and monitor the system to ensure perfect results every wash.

To change bottles unscrew the blue pickup connector from the empty bottle, remove the blue cap from the new bottle and screw on pickup connector.

Use 0.5-1g/L per cycle depending on machine type and conditions.
