

ECOCARE

Treatment Powder

Product Code: ETP

Product Description

Ecocare Wash Treatment Powder has been specifically designed in conjunction with the Ecocare Wash-up Treatment System. It is compatible for use with most water-based paints.

Product Features

- ✓ Effectively separates paint solids and water
- ✓ Simple dosage
- ✓ Easy to use

Directions for use

- Thoroughly stir wash-up water to be treated to agitate settlement at the bottom of the unit.
- Sprinkle across the surface and continue to stir for 1 minute.
- Allow to stand for 2 minutes and then stir for another 2 minutes.
- Allow to stand for a minimum of 30 minutes. Increased dwell time will yield improved results.
- Do not mix with any other chemicals.

Dosage

EWTS-60	2 scoops (100 grams)
----------------	-----------------------------

Storage

Protect from extremes of temperature. Store between 5°C and 30°C.

Safety Directions

Causes skin irritation. Causes serious eye damage. Wear protective gloves and eye and face protection. Avoid breathing dust. Can be harmful, causing respiratory tract irritation, if inhaled.

First Aid

IF IN EYES: Flush eyes with plenty of water for at least 15 minutes, occasionally lifting the upper and lower eyelids. Get medical aid immediately. IF ON SKIN Wash skin with soap and copious amounts of water. Seek medical attention. IF INHALED Get medical aid immediately. Remove from exposure to fresh air immediately. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. IF INGESTED DO NOT induce vomiting. Contact the Poison's Information Centre 13 1126. Rinse mouth with water. Seek medical attention.

Manufacturer's comment

This product has been designed as part of a totally integrated system. Use with any other manufacturer's product(s) or failing to follow application instructions, could result in detrimental effects on product performance, for which Henry Haymes Pty. Ltd. cannot be held responsible.

Further information is available in the form of Safety Data and Product Information Sheets from www.haymepaint.com.au We are continually updating materials and methods, so please ensure you have the latest information.

Protect our Environment

DO NOT pour leftover product down the drain. Retain in a marked sealed container for future use or disposal via special chemical waste collection programs. Dried empty containers can be recycled and should be disposed of via council recycling facilities. Do not re-use empty containers.
