

ULTRA PREMIUM

Expressions Matt

Product Code: MAW

Product description

Haymes Expressions Matt is an ultra-premium interior coating that delivers impressive long-lasting protection. With exceptional coverage and hiding power, Expressions has great washability and provides protection against mould and mildew growth. The Low VOC formula assists hiding surface imperfections through the subtle matt sheen making it ideal for large open areas with glancing light.

Key Features

- ✓ **Superior Washability** - Maintains a long-lasting fresh look.
- ✓ **Exceptional Coverage** - Easy to apply with a solid block out.
- ✓ **Stainproof Barrier** - Resists stains, allowing easy wash off.
- ✓ **No fumes or lingering odours** - A healthier home with no lingering odour.
- ✓ **Mould & Mildew Protection** - Resists mould & mildew growth.

Where to Use

Interior plasterboard, timber, masonry, and pre-painted surfaces including interior walls, feature walls, living rooms, bedrooms, hallways, dining rooms, bathrooms, and laundries. Ideal where a subtle sheen with excellent hiding power is required to cover surface imperfections.

General Surface Preparation	<ol style="list-style-type: none">1. Fill cracks, nail holes and imperfections with Haymes Unifill.2. Scrape all loose/flaking paint. Sand smooth & dust down. All surfaces must be clean, bare, dry and free of wax, grease and other contaminants.3. Remove all traces of mould using a 10% bleach solution.4. Prime bare plaster, timber and metal areas with appropriate Haymes undercoats or primers.
Previously Painted Surfaces	<ol style="list-style-type: none">1. Prepare any damaged areas as for General Surface Preparation.2. Apply one coat of Haymes Ultraseal to any patched areas.3. Sand gloss surfaces to a dull finish. Remove all dust4. For surfaces in good condition no primers or undercoats are required.
Plasterboard	<ol style="list-style-type: none">1. Prepare any damaged areas as for General Surface Preparation.2. Apply one coat of Haymes Ultraseal
Timber	<ol style="list-style-type: none">1. Prepare any damaged areas as for General Surface Preparation.2. Apply one coat of Haymes Ultracover
Masonry, Brick, Concrete, Render	<ol style="list-style-type: none">1. Wash with Haymes Unikleen & rinse with clean water.2. Apply one coat of Haymes Ultraseal

Application

- Do NOT apply if ambient temperature is less than 10°C or greater than 30°C or if conditions will drop below 10°C during the drying period. Under warmer conditions refer to Thinning advice.
- All times quoted assume ambient conditions of 25°C and 50% relative humidity. At cooler temperature or higher humidity drying times will be extended.
- Stir thoroughly before and during application.
- Apply 2 coats by brush, roller or spray.
- Provide adequate ventilation during application and the drying period.
- **Please check the colour for accuracy prior to application. Haymes Paint accepts no responsibility for the application of incorrect colours.**

Thinning

Thinning is not recommended unless spraying; add up to 100ml clean water per litre of paint to achieve acceptable atomisation. Up to 50ml of water can be added per litre of paint to ease application under very warm conditions.

Care and Maintenance

New paintwork should not be exposed to steam or condensation for 72 hours. Protect the coating against abrasive contact for 7 days. After 7 days the finish can be cleaned with a mild detergent solution and a soft cloth.

Storage

Protect from extremes of temperature. Store between 5°C and 30°C.

Safety & First Aid

Keep out of reach of children. Avoid contact with skin and eyes. Wear suitable, protective clothing, eye protection and impervious gloves when mixing and using. If swallowed, drink plenty of water and seek medical advice. Contact a doctor or Poisons Information Centre (Phone 13 11 26). If skin contact occurs, remove contaminated clothing and wash skin thoroughly with soap and water. If irritation develops or persists seek medical advice. In case of eye contact, hold eyes open and flush with running water for at least 15 minutes and seek medical advice.

Protect our environment

DO NOT pour any leftover product down the drain. Retain in a marked sealed container for future use or disposal via special chemical waste collection programs such as Paintback®. Check on the Paintback® website www.paintback.com.au for details of the closest depot. Dried empty containers can be recycled and should be disposed of via recycling facilities.

Manufacturer's comment

This product has been designed as part of a totally integrated application system. Use with any other manufacturer's product(s) or failing to follow application instructions, could result in detrimental effects on product performance, for which Henry Haymes Pty. Ltd. cannot be held responsible. Further information is available in the form of Safety Data and Product Information Sheets from Haymes Paint www.haymespaint.com.au . We are continually updating materials and methods, so please ensure you have the latest information.
