

## CONCRETE & PAVING PROTECTION

### PaveShield Colour Pack

Product base code: PSCP

#### Product description

Haymes PaveShield Colour Pack is designed to be mixed into the PaveShield Tint Base. The PaveShield Colour Pack's provide a range of decorative colours to enhance, seal and rejuvenate concrete.

#### Key features & benefits

**Colours, seals and rejuvenates.**

**Designed for use with PaveShield Tint Base.**

#### User instructions

- Separately mix PaveShield Colour Pack and PaveShield Tint Base
- Add 1 Litre of PaveShield Colour Pack to 9 Litres of PaveShield Tint Base. It is vital to mix in ALL of the Colour Pack to achieve the correct colour.
- Stir thoroughly before and during application using a broad flat stirrer ensuring a consistent colour at all times.

#### Mixing ratios

**10 Litres:** Mix 9 Litres of PaveShield Tint Base with 1 Litre PaveShield Colour Pack.

**20 Litres:** Mix 18 Litres of PaveShield Tint Base with 2 Litres PaveShield Colour Pack.

#### Precautions

- Provide adequate ventilation during application and the drying period.
- If more than one can is required for the final coat, mix all cans together prior to commencing.
- **Please check the colour for accuracy before application. Haymes Paint accepts no responsibility for the application of incorrect colours.**

#### Thinning

Thinning is not required. PaveShield Solvent can be used for cleaning any tools or equipment.

#### Storage

Containers must be secured and stored upright during transit. Protect from extremes of temperature. Do not expose to temperatures exceeding 60°C. Store in a secure, cool, dry, well-ventilated place and out of direct sunlight. Check regularly for leaks.

## Safety Directions & First Aid

### SAFETY DIRECTIONS

**WARNING – Flammable Liquid and Vapour.** Keep out of reach of children. Read label before use. Keep away from heat, hot surfaces, open flames and other ignition sources. Exposure via inhalation may cause drowsiness or dizziness. Causes skin irritation. Avoid repeated or prolonged skin contact, eye contact and inhalation of any vapour. Wear overalls, safety glasses, impervious gloves and a suitable respirator when mixing and using. Use only in well-ventilated areas. Keep containers tightly closed when not in use.

### FIRST AID Instructions

If affected by inhalation, move to fresh air. If skin or hair contact occurs, remove contaminated clothing and wash with plenty of soap and water. If irritation occurs, seek medical advice. If eye contact occurs, rinse cautiously with water. Remove contact lenses if present and easy to do so. Continue rinsing. In all cases of eye contact, it is a sensible precaution to seek medical advice. If swallowed, rinse mouth thoroughly with water. Do NOT induce vomiting. Call a Poisons Information Centre (Phone 13 11 26) or seek medical advice.

## Protect our environment

Do NOT pour any leftover product down the drain. Retain in a marked sealed container for future use or disposal via special chemical waste collection programs. Dried empty containers can be recycled and should be disposed of via recycling facilities.

## Manufacturer's comment

This product has been designed as part of an integrated application system. Use with any other manufacturer's product(s) or failing to follow application instructions, could result in detrimental effects on product performance, for which Henry Haymes Pty. Ltd. cannot be held responsible. Further information is available in the form of Safety Data and Product Information Sheets from Haymes Paint [www.haymespaint.com.au](http://www.haymespaint.com.au). We are continually updating materials and methods, so please ensure you have the latest information.
