

SPRING DROPS

SUPER CONCENTRATED DETERGENT - INBUILT MOISTURISERS

DESCRIPTION

Spring Drops is a super soft, mild, modern, biodegradable detergent which is kind to the hands and harmless to all washable surfaces. **Spring Drops** is formulated especially for hand sink-washing, cutting grease and grime quickly, leaving dishes, pots, pans, glassware and cutlery sparkling clean. **Spring Drops** cleans with equal effectiveness in soft, hard or even salt water. It dissolves instantly in water of all degrees of hardness giving clear solution in both soft and hard water. The pleasant aroma which arises when first dissolved is in no way residual.

APPLICATIONS

Spring Drops is ideal for all domestic, commercial and industrial requirements, including the food industry.
