

BOWL KLEEN

DESCRIPTION

BOWL KLEEN is a concentrated phosphoric acid toilet bowl cleaner designed to clean and remove the most difficult hard water stains. The 3 in 1 action cleans, sanitises and deoderises toilets and urinals. **BOWL KLEEN** is ideally suited for areas operating on septic tanks. **BOWL KLEEN** is used in a 1L bottle with disc lid for squirting the **BOWL KLEEN** solution under the rim of the bowl or urinal.

DIRECTIONS FOR USE

TOILETS: Press cap of container, insert bottle and squeeze to direct **BOWL KLEEN** into the bowl beneath the rim. Brush all areas of the toilet bowl with this solution, making sure that that the area beneath the rim is thoroughly cleaned. Clean seat with the same solution and wipe dry with a soft cloth or tissue.

URINALS: Squeeze bottle to cover urinal area and clean with toilet brush, immediately after cleaning flush generously with water.

TECHNICAL DATA

FORM: Liquid
COLOUR: Yellow
DETERGENCY: Low
TOXICITY: Non-toxic
WETTING ABILITY: Excellent
STORAGE ABILITY: 2 years
EVAPORATION RATE: Slow
PHOSPHATES: Nil

ODOUR: Citrus
SOLUBILITY IN WATER: 100%
SPECIFIC GRAVITY: 1.06 - 1.08g/ml
%VOLATILE BY VOLUME: Non-volatile
pH: 1
COLD STABILITY: 1 year
BIODEGRADABILITY: No
