

## BIO-S SOLVENT BITUMEN HEAVY DUTY

### BIODEGRADABLE SOLVENT DEGREASER FREE OF HYDROCARBONS

#### DESCRIPTION

**BIO-S SOLVENT BITUMEN HEAVY DUTY** is nontoxic, nonreactive, noncarcinogenic, readily biodegradable, derived from renewable resources and safe to use, store & dispose of.

**BIO-S SOLVENT BITUMEN HEAVY DUTY** is a safe alternative to hazardous petroleum-based degreasers or harsh alkaline cleaners. Combines a variety of natural and biodegradable detergents and emulsifiers made from oranges and soybeans - in perfect balance to produce a "green" cleaner that dissolves the heaviest grease deposits. As versatile as it is safe. Use it to remove gum, wax, oil, tar, dirt, adhesives as well as grease and grime. It even cleans concrete and masonry, machinery and equipment, motors and other metal parts. Utilises an emulsifiable formula that penetrates deposits fast, allowing you to rinse the dirt and residue away with water. Easily the safest bitumen cleaning solvent available.

#### APPLICATIONS

For use by Industrial & Mining, Transportation & Local Authorities and Railways.

#### DIRECTIONS FOR USE

**For heavy cleaning:** Spray undiluted, wait then rinse with water.

**To remove gum, wax and asphalt:** Spray onto deposits and allow to work.

**BIO-S SOLVENT BITUMEN HEAVY DUTY** has a long dwell time thus allowing stubborn deposits of grease, bitumen and tar to be dissolved.

**BIO-S SOLVENT BITUMEN HEAVY DUTY** utilises the very latest surfactant system to suit oil separations. The quick break properties meet the industrial standards in Australia and is the safest bitumen cleaner on the market.
