

ACTI-KLEENZ

NON ACID COIL CLEANER

DESCRIPTION

ACTI-KLEENZ is a Biodegradable Non-Acidic Coil Cleaner.
 pH 12 - 12.5.

APPLICATIONS

Industry, Refrigeration Mechanics, Refrigeration Companies, Contractors, Local Authorities, Air Handling Specialists.

TECHNICAL DATA

FORM: Liquid
COLOUR: Blue
DETERGENCY: Excellent
TOXICITY: Non Toxic
WETTING ABILITY: Excellent
STORAGE ABILITY: 2 years
EVAPORATION RATE: Slow
PHOSPHATES: <1%

ODOUR: Sweet
SOLUBILITY IN WATER: 100%
SPECIFIC GRAVITY: 1.05 g/ml (water = 1)
%VOLATILE BY VOLUME: 80%
pH: 12 - 12.5
COLD STABILITY: Stable
BIODEGRADABILITY: Yes

DIRECTIONS FOR USE

ACTI-KLEENZ is a totally free rinsing evaporator and coil cleaner. ACTI-KLEENZ cleans dirt, oil, lint, slime and soot from the evaporator coils and drain pans. Condensation from the system will rinse residues where it is difficult to rinse with normal methods. Very effective at cleaning electronic air cleaners.

Applications:

high and low pressure sprayer-soak or brush.

Directions For Use:

Light soiling: may be diluted at up to 6 to 1 with water.

Medium soiling: dilute at 3 - 5 to 1 with water.

Heavy soiling: use undiluted. In some instances a second application may be required.
