

ACID CLEANER 7.0 CONCRETE DESCALER

DESCRIPTION

AGITATOR CLEANER - READYMIX / CHEMEX / HOLCIM / HANSON

APPLICATIONS

ACID CLEANER 7.0 is a slightly thickened Acidic Descaler developed to remove scale from concrete trucks & equipment.

TECHNICAL DATA

FORM: Free Flowing Gel
COLOUR: Clear Pale Straw
DETERGENCY: Excellent
TOXICITY: Poison S6
STORAGEABILITY: 2 years
EVAPORATION RATE: Slow
pH: <0.5

ODOUR: Mildly Acidic
SOLUBILITY IN WATER: Soluble
SPECIFIC GRAVITY: 1.14 g/ml (water = 1)
WETTING ABILITY: Excellent
COLD STABILITY: Stable
BIODEGRADABILITY: Yes

DIRECTIONS FOR USE

ACID CLEANER 7.0 may be diluted
Broom **ACID CLEANER 7.0** onto surface and allow a dwell time of 2 to 5 minutes to dislodge concrete and scale.
ACID CLEANER 7.0 is fortified with corrosion inhibitors to stop chains from corroding. The detergents built into **ACID CLEANER 7.0** allow for the early removal of the residues via strong water jet or high pressure water.
