

LIMASOLVE
HEAVY DUTY DEGREASER**DESCRIPTION**

LIMASOLVE is a lime scented heavy duty degreaser.

APPLICATIONS

LIMASOLVE is ideal on all types of grease on industrial sites as well as workshops. Removes diesel stains along with numerous other types of grease including moly and synthetic. Lime fragrance helps to mask obnoxious odours around rubbish compactors and trucks, etc.

TECHNICAL DATA**FORM:** Aerosol**ODOUR:** Lime**COLOUR:** Clear**DETERGENCY:** N/A**TOXICITY:** Not scheduled**WETTING ABILITY:** N/A**STORAGE ABILITY:** 1 year +**COLD STABILITY:** Yes**PHOSPHATES:** None**FLASH POINT:** 20°C**FLAME EXTENSION:** LEL 0.7% - UEL 6.1%**SOLUBILITY IN WATER:** Soluble**SPECIFIC GRAVITY:** 0.85g/ml**%VOLATILE BY VOLUME:** 100%**pH:** N/A**PROPELLANT:** Hydrocarbon**EVAPORATION RATE:** Same as butyl acetate**BIODEGRADABILITY:** No**DIRECTIONS FOR USE**

Hold **LIMASOLVE** approximately 15cm to 20cm away from grease to be removed and spray liberally. The fast action spray blast nozzle allows for stubborn grease to be removed easily. Allow **LIMASOLVE** to penetrate for 5 to 10 minutes and use pressure washer to remove.
