

## **EUCALYPTUS WETSUIT SANITISER**

DEODERANT / CLEANER

### **DESCRIPTION**

**Eucalyptus Wetsuit Sanitiser** is recommended for all disinfecting and sanitising of wetsuits, flippers and goggles associated with the Dive Industry. The natural, plant derived surfactant gives a pleasant odour as well as a strong cleaning and sanitising effect.

### **APPLICATIONS**

**Eucalyptus Wetsuit Sanitiser** is recommended for all disinfecting and sanitising of wetsuits, flippers and goggles associated with the Dive Industry.

### **TECHNICAL DATA**

**FORM:**  
**ODOUR:** Eucalyptus  
**COLOUR:** Yellow  
**DETERGENCY:**  
**TOXICITY:**  
**WETTING ABILITY:**  
**STORAGE ABILITY:**  
**COLD STABILITY:**  
**PHOSPHATES:**

**FLASH POINT:** Not Flammable  
**FLAME EXTENSION:**  
**SOLUBILITY IN WATER:** Soluble  
**SPECIFIC GRAVITY:** < 1.0g/ml (water =1)  
**%VOLATILE BY VOLUME:** 75%  
**pH:** 7.5  
**PROPELLANT:**  
**EVAPORATION RATE:** Slower than butyl acetate  
**BIODEGRADABILITY:**

### **DIRECTIONS FOR USE**

Heavy Duty Cleaning: 10:1 with water  
Light Duty Cleaning: 30:1 with water  
Disinfecting: 25:1 with water

To clean wetsuits, add 500ml per 50L of water, hot or cold.
