

ECONO BREAK

QUICK BREAK DEGREASER

DESCRIPTION

ECONO BREAK is designed for use where oil separators are being used.

Quickly separates oil to be skimmed off to waste disposal.

ECONO BREAK is designed to be used where oil needs to be separated in holding tanks and oil separators.

ECONO BREAK used correctly will remove grease and grime from vehicle and chasis as well as cleaning workshop floors and walls.

Designed especially to suit pollution plants. Contains no phosphates etc.

APPLICATIONS

Ideal product for machine shops, railways, councils, transport authorities and major workshops.
