

VINYL RESTORER

DASHBOARD AND VINYL RESTORER

DESCRIPTION

VINYL RESTORER protects and beautifies tyres, bumpers, dashboards, vinyl and trims. **VINYL RESTORER** gives a semi gloss finish and may be diluted with water for a satin finish. **VINYL RESTORER** is a luxurious blend of emulsion silicones – it contains polymer type silicone. This rubberises the protective coat, thus giving the product a much longer life. **VINYL RESTORER** also contains a fresh fragrance to help keep the car smelling fresh.

APPLICATIONS

Car Yards, Railways, Councils, Road Trains, Bus Companies, Truck Companies and Car Detailers.

TECHNICAL DATA

FORM: Liquid	FLASH POINT: Not combustible
ODOUR: Nil	FLAME EXTENSION: N/A
COLOUR: Cream	SOLUBILITY IN WATER: Good
DETERGENCY: N/A	SPECIFIC GRAVITY: 1.0g/ml
TOXICITY: N/A	%VOLATILE BY VOLUME: 70%
WETTING ABILITY: N/A	pH: 6.5-7.5
STORAGE ABILITY: 1 year	PROPELLANT: Nil
COLD STABILITY: Good	EVAPORATION RATE: Slow
PHOSPHATES: No	BIODEGRADABILITY: No

LABEL INFORMATION
