

CHARGE

DRAIN OPENER AND DEGREASER

DESCRIPTION

CHARGE is a natural solvent based product designed to clear clogged drain lines. The high pressure spray through a 45cm tube permits quick penetration directly to the source of the problem and immediately begins to dissolve grease, body oils and soap. It is non-acid, non-caustic and contains no chlorinated solvents or petroleum distillates.

APPLICATIONS

Machine Shops, Industrial Plants, Janitorial Services, Restaurants, Hotels, Motels and Schools.

For drains, water fountains, drain lines, grease traps, showers and bath tubs.

TOXICITY: None known

WETTING ABILITY: 0°F

PHOSPHATES: None

FLASH POINT: 80°F TCC

FLAME EXTENSION: N/A

SOLUBILITY IN WATER: 100%

SPECIFIC GRAVITY: 1.02

%VOLATILE BY VOLUME: 95%+

EVAPORATION RATE: Moderate

BIODEGRADABILITY: Yes

LABEL INFORMATION

This natural citrus base product is designed to clear clogged drain lines. The high pressure spray through the 45cm tube permits quick penetration directly to the source of the problem. Begins immediately to dissolve grease, body oils and soap.

DIRECTIONS FOR USE

Attach the 45cm tube to the spray nozzle. Direct tube down drain positioning tube opening as close to the clog as possible. Spray liberally. Allow ample time for product to penetrate and break down clog. Flush drain. Re-apply product periodically to maintain and keep the drain free flowing. To protect against splash back wear eye protection.

FIRST AID: IF SWALLOWED: Do not induce vomiting. Give a glass of water and call a physician.
IF EYE CONTACT: Flush with water. If irritation persists, call a physician.
