

LINGA LONGA

DISINFECTANT DEODORANT CLEANER

DESCRIPTION

LINGA LONGA has a powerful disinfecting action that may be diluted at up to 80 to 1 with water. The refreshing bubblegum fragrance is used in many different situations from hotels, motels and public amenities to plumbers working with raw sewage through to sewerage plants and pump stations – garbage trucks, rubbish bins, drains etc. A powerful cleaning action helps to clean with minimal foaming to leave surfaces streak free.

APPLICATIONS

Institutions, Hospitality, Municipalities, Caravan Parks and Sewerage Treatment Plants.

For general disinfecting applications.
