

QUICK BREAK DEGREASER

SOLVENT DEGREASER. 98% LIQUID HYDROCARBON 17038-00.

DESCRIPTION

QUICK BREAK DEGREASER is a powerful combination of solvents designed to quickly remove grease, oil, bitumen etc. from most surfaces. Suitable for use on engines, garage floors, concrete etc.

APPLICATIONS

Aircraft, Equipment, Automotive, Electrical Motors, Machine Shops, Machinery, Manufacturing, Tools, Office Equipment, Engines, Drilling Rigs, Parts Washing and Industrial Plants.

TECHNICAL DATA

FORM: Clear Liquid	FLASH POINT: >42°C
ODOUR: Low	FLAME EXTENSION: Approx. 155°C
COLOUR: Green	SOLUBILITY IN WATER: No
DETERGENCY: Excellent	SPECIFIC GRAVITY: 0.80
TOXICITY: Poison S5	%VOLATILE BY VOLUME: 98%
WETTING ABILITY: Excellent	pH: Close to neutral
STORAGE ABILITY: 1 year	VISCOSITY: Thin
COLD STABILITY: Good	EVAPORATION RATE: Slow
PHOSPHATES: N/A	BIODEGRADABILITY: No

LABEL INFORMATION

DIRECTIONS FOR USE

Apply undiluted to surfaces to be cleaned, agitate with a brush, allow time to work and then flush off with good water pressure.
