Specific Target Organ Toxicity (Repeated Exposure) - Category 1
Acute Hazard to the Aquatic Environment - Category 3
Chronic Hazard to the Aquatic Environment - Category 3
SAFETY SHOES, OVERALLS, GLOVES, CHEMICAL GOGGLES, RESPIRATOR

Personal

Protective

Equipment:

Directions for use:

Most effective when parts are clean and free of rust, scale or dirt. However, DEFENSE will afford adequate protection when applied over rust, scale or dirt. May be used in our 1 L solvent sprayer or trigger sprayers. Spray, dip or use brush to apply product. Completely wet surface. For extremely severe conditions, wait 5 minutes and apply another coat. DEFENSE will completely set up in 2 hours. Once the film is hard, part can be handled. Dust and dirt can be wiped off without affecting film.
