

## TRAY SLIP II

### ORGANIC RELEASE AGENT FOR BITUMEN INDUSTRY

#### DESCRIPTION

**TRAY SLIP II** is an organic release agent for the bitumen industry. Apply as supplied via solvent resistant sprayer, ie our 5 Litre pump up SOX Sprayer.

There are no known hazards with this product.

Tray slip II, may be applied to the exterior of bitumen tankers; so as to make the clean up much easier. To remove Tray Slip I and bitumen from painted surfaces, A mixture of Bio S Solvent Bitumen HD and MA Truck Wash will leave the paintwork clean and shiny.

#### APPLICATIONS

For use by Industrial & Mining, Transportation & Local Authorities and Railways.
