

## TILE & GROUT CLEANER

HEAVY DUTY CLEANER AND DISINFECTANT

### DESCRIPTION

**TILE & GROUT CLEANER** will clean and disinfect hard non-porous inanimate surfaces such as sink tops, glazed ceramic tiles in bathrooms and showers as well as bath tubs and urinals. **TILE & GROUT CLEANER** keeps wet and hard to clean areas smelling fresh for long periods. **TILE & GROUT CLEANER** will remove most types of hard water scale common throughout north and west New South Wales, Queensland, Northern Territory and Western Australia. Exhibiting more cleaning power than Phosphoric and Sulphuric Acids. Completely non-corrosive to hands and skin.

### APPLICATIONS

This product is designed specifically as a heavy duty cleaner and disinfectant for use in hospitals, morgues, nursing homes, schools, hotels, dog pounds and catteries.
