

RTU QUICK BREAK DEGREASER

HEAVY DUTY SOLVENT DEGREASER

DESCRIPTION

RTU QUICK BREAK DEGREASER is a combustible degreaser.
Flash point above $>70^{\circ}\text{C}$.

APPLICATIONS

For use by Industrial Customers.
Ideal for mining operations where safe combustible degreaser required.

TECHNICAL DATA

FORM: Liquid
ODOUR: Low
COLOUR: Clear
SPECIFIC GRAVITY: 0.8
TOXICITY: Non Toxic
WETTING ABILITY: N/A
STORAGE ABILITY: 2 Years
STABILITY: Stable
PHOSPHATES: Nil

FLASH POINT: $>70^{\circ}\text{C}$
BOILING POINT: N/A
SOLUBILITY IN WATER: No
DETERGENCY: N/A
%VOLATILE BY VOLUME: N/A
pH: 7-8
VISCOSITY: Viscous
EVAPORATION RATE: Slow
BIODEGRADABILITY: No

DIRECTIONS FOR USE

DIRECTIONS: RTU QUICK BREAK DEGREASER is a heavy duty solvent degreaser, capable of being used as a parts washing solvent or as a normal heavy duty degreaser. Spray using a 1L, 1.5L or 5L solvent resistant sprayer, available at Minehan Agencies. RTU QUICK BREAK DEGREASER may be used with a brush as well. Apply liberally and allow RTU QUICK BREAK DEGREASER to penetrate oil, grease, moly grease, tar and bitumen. The powerful emulsifiers will help rinse away grease and then break in the oil separator. Flash point above 70°C .
