

## ORANGE SOLVENT

### DESCRIPTION

Water soluble citrus degreaser and multi-purpose spotter.

### APPLICATIONS

Heavy industry, municipality contractors, road making crews, carpet cleaning and many more.

### TECHNICAL DATA

**FORM:** Liquid  
**ODOUR:** Citrus  
**COLOUR:** Yellow  
**SPECIFIC GRAVITY:** 0.90  
**TOXICITY:** Non-toxic  
**WETTING ABILITY:** Excellent  
**STORAGE ABILITY:** 2 Years  
**STABILITY:** Stable  
**PHOSPHATES:** Nil

**FLASH POINT:** 59 Degrees C  
**BOILING POINT:** N/A  
**SOLUBILITY IN WATER:** Yes  
**DETERGENCY:** Excellent  
**%VOLATILE BY VOLUME:** N/A  
**pH:** 9 - 10  
**VISCOSITY:** Thin Mobile Liquid  
**EVAPORATION RATE:** Slow  
**BIODEGRADABILITY:** Yes

### LABEL INFORMATION

Use neat on bitumen, tar, heavy grease, fresh adhesive, chewing gum and graffiti. Works fast and effectively in printing, transport, laundry pre-spotter, food industry, motor vehicle dewaxer, petroleum industry and marine bilges. Mixed 50/50 with water, Orange Solvent is non-flammable.

### DIRECTIONS FOR USE

Test on an inconspicuous area to be cleaned first. Carpets, use sparingly. Rinse off or use water extraction to remove all residues. Some times a second rinse is applicable.
