

LIME KLEENER

BIODEGRADABLE DEGREASER

DESCRIPTION

Lime Kleener is a highly concentrated multipurpose solvent boosted cleaner. Made from naturally occurring d-Limonene; extracted from oranges. Cleans and leaves a pleasant citrus fragrance behind.

APPLICATIONS

For use in restaurants, automotive, building industry, professional fishing industry, local authorities, railway and transport companies. **Lime Kleener** will remove black tyre marks from concrete. Excellent for cleaning BBQ's, engines and equipment, house exteriors as well as all food preparation areas. May be used as a household cleaner for all walls, bathrooms and washable floors.
