

BOS RTU

ORGANIC DISINFECTANT SANITISER

DESCRIPTION

BOS RTU is a pre-diluted, plant derived, organic sanitiser-disinfectant, anti-fungal & anti-bacterial cleaner. **BOS RTU** is powered via the latest bio-flavonoids additives. These kill 99.9% of bacteria on both porous and hard surfaces.

BOS RTU is completely food surface safe and therefore ideal in bars, kitchens, nightclubs, etc.. NASAA Certified ingredients with all ingredients USA EPA, GRAS listed. **BOS RTU** is a non-toxic replacement for Chlorine Quaternary Ammonium Compounds & Peroxide.

BOS RTU has a pleasant fresh apple fragrance.

APPLICATIONS

BOS RTU is ideal in the bar environment. The natural disinfectant kills the yeast bug that grows from spilt beer. The organic nature allows incidental contact with food and is safe on chopping boards as well as areas of the bar.

TECHNICAL DATA

FORM: Liquid
COLOUR: Green
DETERGENCY: Excellent
TOXICITY: Non-Toxic
WETTING ABILITY: Excellent
STORAGE ABILITY: 2 Years
EVAPORATION RATE: Fast
PHOSPHATES: Nil

ODOUR: Apple
SOLUBILITY IN WATER: Soluble
SPECIFIC GRAVITY: 1.0g/ml
% VOLATILE BY VOLUME: Nil
pH: 7 - 8
COLD STABILITY: Stable
BIODEGRADABILITY: Yes

DIRECTIONS FOR USE

Use neat in hand held atomiser or spray gun.
 Apply to stain then wipe off with moist sponge or cloth.
