

LIME SAP REMOVER

COMMERCIAL GARDE MULTI-PURPOSE CLEANER AND STAIN & SAP REMOVER

DESCRIPTION

Lime Sap Remover is a blend of natural solvents and biodegradable surfactants that enable heavy soils to be removed as well as some graffiti inks and stubborn stains. It contains no harsh caustic, alkalines, salts, phosphates or petroleum based solvents. **Lime Sap Remover** is totally biodegradable and should be tried on an inconspicuous area first. May damage leather and suede as natural oils may be removed. Always test first when using it on plastic and metal surfaces. Given a little time, **Lime Sap Remover** will remove mould, lipstick, crayon, cooking oils, sticky tape, glue, blood stains, chewing gum, waxes, etc..

APPLICATIONS

Kitchen - cleaner and degreaser; Laundry - pre-stain spotter; Industrial Applications - removal of wax, some paint, graffiti, permanent markers, glue and adhesive; Washrooms - soap scum on basins; Vehicles - removes tar and bugs, cleans tyres and vinyl and upholstery stains; may remove some chewing gum stains.

TECHNICAL DATA

FORM: Liquid
ODOUR: Lime
COLOUR: Clear
DETERGENCY: Excellent
TOXICITY: Poison S5
WETTING ABILITY: Excellent
STORAGE ABILITY: 2 Years
COLD STABILITY: N/A

FLASH POINT: 12°C
FLAME EXTENSION: LEL 0.7% - UEL 6.1%
SOLUBILITY IN WATER: Forms White Emulsion
SPECIFIC GRAVITY: 0.85g/ml
% VOLATILE BY VOLUME: 90%
pH: 7-9
EVAPORATION RATE: Slow
BIODEGRADABILITY: Yes

DIRECTIONS FOR USE

Lime Sap Remover can be sprayed onto surfaces and fabrics and then rinsed off. Add it to water for washing, sponging or mopping. Test if surfaces are suitable first.

Motor Vehicles: Removes tar from car bodies and trucks. Removes tar, cleans tyre marks and oil from concrete. Allow time for **Lime Sap Remover** to penetrate soils. May be used to clean up upholstery and vinyl. Do NOT use on leather and suede.

Laundry: Pre-spray clothes and rinse with soapy water. For heavy soils, let **Lime Sap Remover** soak then run and soak in soapy water. Wash as normal.

Kitchens: Removes stains, grease, fats and oils, leaving a fresh lime fragrance. Ideal for bench tops, cupboards and sinks, etc..

Bathrooms: Dissolves soap scum. Helps remove mould, disinfects, deodorises and leaves a fresh fragrance.

Fabrics and Carpets: Spray stains and sponge with soapy water. Repeat treatment for difficult stains.
