

CITROSCRUB

NATURAL HAND CLEANER WITH POLY BEADS

DESCRIPTION

CITROSCRUB is a unique new hand cleaner that uses the natural solvent squeezed from orange and lemon peels. It contains NO petroleum solvents and that means it does not harm the environment. **CITROSCRUB** is very effective in removing a wide variety of soils, eg: ink, grease, oil, garden soil, etc.

APPLICATIONS

New hand cleaning technology for grease, oil, paint, ink, adhesives and general grime – it's the only industrial hand cleaner you'll need.
