

Technical Data Sheet

Nu-EcoSafe Degreaser

Product Description **Nu-EcoSafe Degreaser** is a super concentrated, heavy duty water based cleaner and degreaser that is an ideal and biodegradable alternative to traditional solvent based degreasers and cleaners. **Nu-EcoSafe Degreaser** is user-friendly, environmentally safe and is extremely effective for use in industrial/ commercial and domestic applications to quickly cut through grease, industrial soils and petroleum-based liquid products.

Nu-EcoSafe Degreaser Features:

- Water-based & Biodegradable
- Non-flammable
- Non-abrasive
- No phosphate or Chlorine
- Contains no TAPs or HAPs (Toxic / Hazardous Air Pollutants)
- Non-ozone-depleting
- As quick as conventional solvent based degreasers

Safety

Precautions:

Observe all Occupation Health and Safety (OH&S) precautions. Refer to the relevant Safety Data Sheets (SDS) for product safety related information. For further information and support: **Nutech Paint 03 9770 3000**
www.nutechpaint.com.au

- Avoid ingestion, skin and eye contact.
- Wear eye protection.
- Rubber or synthetic gloves.
- When applying product using spray applicators wear NIOSH approved respirator.
- In case of eye or skin irritation, flush with cold water for 15 minutes.
- If swallowed do not induce vomiting, seek immediate medical attention.
- Dispose of product in accordance with applicable environmental regulations.
- When using the soap injector line of a pressure washer, be sure to measure dilution ratios according to the setting of the intake valve.

Chemical Type: Blended cleaning alcohol

Product Attributes
pH (direct reading): >13.0
VOC content: 46.8 g/L
Flash point: N/A
Boiling Point: N/A
Freezing Point: N/A

Typical Applications

Typical projects include:
Domestic & Multi Density Residential, Industrial and Commercial uses where excellent Cleaning performance and low VOC are required.

Appearance Clear/orange liquid

Coverage / Spread Rate:	1 – 12m ² /lt. depending on soiling
Packaging	750ml spray bottle, 2.5L, 10L, 20L.
Storage	Cool, dry location. Avoid contact with direct sunlight and heat
Shelf life	Stored 24 months @ 25°C
Substrate Recommendations:	Nu-EcoSafe Degreaser is suitable for concrete, metals, mechanical parts, automotive parts, machinery, tires and all applications where high-performance component degreasing and cleaning is required.
NOTE	Nu-EcoSafe Degreaser can be used as a cleaning solvent substitute; its power and versatility will tackle all your cleaning and degreasing needs. Nu-EcoSafe Degreaser is safe for use in parts washers, steam cleaners, pressure washers and will replace many specialised cleaning and degreasing products.
Mixing/ Thinning	All-purpose cleaner (Most Substrates): 1 litre of Nu-EcoSafe Degreaser to 4 litres of fresh water Note: Solution can be adjusted according to specific cleaning needs. Concrete: DO NOT DILUTE
Test Patch	Conduct a small test patch in an inconspicuous area to ensure adequate product performance, substrate porosity and provide an indication of the time required to complete project.
Substrate note:	Concrete: DO NOT DILUTE
Application	Brush Mop Sponge Hand sprayer Garden sprayer/ pump pack
Procedure:	Apply Nu-EcoSafe Degreaser liberally to the soiled area using the desired application method. Allow min. 5 minutes for the solution to loosen soiled area <ul style="list-style-type: none">• Clean all surfaces using a brush, mop, sponge or pressure washer.• Rinse all surfaces thoroughly with clean water, noting to wash vertical surfaces from the top down to avoid re-soiling of cleaned areas.• Allow components to dry.
Drying Time	N/A
Recoat	N/A

Clean Up

Protecting Our Environment is important to Nutech Paints:

Clean up with clean water and/or dispose of equipment. Do not pour left over cleaner down drains or in rubbish bins. Unwanted cleaner should be kept in a sealed container and then disposed of via special waste collection services.

Dispose of empty containers in accordance with local authority guidelines. Always check with your local council first.

First Aid

SEEK IMMEDIATE MEDICAL ATTENTION. Refer to the appropriate *Nutech Material Safety Data Sheet* (MSDS) for further information.

For medical emergencies only, call: 000

- In case of eye contact, flush thoroughly with water for at least 15 minutes.
- In case of skin contact, wash affected areas with soap and water. If irritation persists.
- Remove and wash contaminated clothing.
- If inhalation causes physical discomfort, remove to fresh air.
- If discomfort persists, or any breathing difficulty occurs or if swallowed seek medical advice.

Warranty

Nutech warrants its products to be free from defects in material and workmanship. Nutech's sole obligation and Buyer's exclusive remedy in connection with the products shall be limited, at Nutech's option, to either replacement of products not conforming to this Warranty or credit to Buyer's account in the invoiced amount of the nonconforming products.

Any claim under this Warranty must be made by Buyer to Nutech in writing within five (5) days of Buyer's discovery of the claimed defect, but in no event later than the expiration of the applicable shelf life, or one year from the delivery date, whichever is earlier. Buyer's failure to notify Nutech of such non-conformance as required herein shall bar Buyer from recovery under this Warranty.

Nutech makes no other warranties concerning the product. No other warranties, whether express, implied, or statutory, such as warranties of merchantability or fitness for a particular purpose, shall apply. In no event shall Nutech be liable for consequential or incidental damages.

Any recommendation or suggestion relating to the use of the products made by Nutech, whether in its technical literature, or in response to specific inquiry, or otherwise, is based on data believed to be reliable; however, the products and information are intended for use by Buyers having requisite skill and know-how in the industry, and therefore it is for Buyer to satisfy itself of the suitability of the products for its own particular use and it shall be deemed that Buyer has done so, at its sole discretion and risk. Variation in environment, changes in procedures of use, or extrapolation of data may cause unsatisfactory results.

Limitation of Liability

Nutech's liability on any claim of any kind, including claims based upon Nutech's negligence or strict liability, for any loss or damage arising out of, connected with, or resulting from the use of the products, shall in no case exceed the purchase price allocable to the products or part thereof which gives rise to the claim. In no event shall Nutech be liable for consequential or incidental damages.
