# VEHICLE & EQUIPMENT WASH

### Description

**VEHICLE & EQUIPMENT WASH** is a highly concentrated opaque green liquid detergent based on a blend of mild surfactants, soil suspending agents and corrosion inhibitors. It is safe on all metals and painted surfaces and is extremely free rinsing and streak free even if allowed to dry on the surface.

### Application

**VEHICLE & EQUIPMENT WASH** has been formulated for the removal of a wide variety of soils from both heavy and light plant and equipment which includes trucks, buses, cars and also building exteriors. Soils would include grease, oil, carbon and mud.

### Features and Benefits

- ◆ Safe on all surfaces.
- ◆ Free rinsing - will not streak.
- ◆ Highly concentrated providing economy in use
- ◆ Suitable for use in soft or hard water.
- ◆ Can be applied through a foaming unit.
- ◆ Mild detergent ensures operator safety.
- ◆ Quickly removes all dirt and road grime, which assists with down time.
