EXECUTE

RESIDUAL INSECTICIDE

Active Constituents

10 g/L PERMETHRIN 25:75

Description

EXECUTE Residual Insecticide is a long lasting residual insecticide specifically formulated to control crawling insects in both domestic and industrial applications.

Application

Spray **EXECUTE** Residual Insecticide directly onto insects for fast kill or spray onto surfaces for up to two months barrier protection from crawling insects. Spray walls, windows, and ceilings paying particular attention to areas where insects aggregate.

Features and Benefits

- Food Industry "Fit for Purpose" approved for meat export establishments.
- APVMA registered as barrier protection and knockdown flyspray.
- Provides two months barrier protection on hard surfaces against crawling insects.
- Low mammalian toxicity.
- **EXECUTE** Residual Insecticide contains one of the most effective residual insecticides known today.
- Available in aerosol and bulk

EXECUTE

RESIDUAL INSECTICIDE

Method of Use

DIRECTIONS FOR USE: (ALL STATES)

<i>SITUATION</i>		<i>PLOT</i>	<i>RATE</i>
<i>Commercial, institutional and industrial premises</i>	<i>Food preparation and storage areas</i>	<i>Ants, Cockroaches, Fleas, Spiders, Silverfish</i>	<i>1.25L / 100-150 m2 (depending on the porosity of the sprayed surface)</i>

CRITICAL COMMENTS

- Remove all food and food utensils from area to be sprayed. Turn off all fans, air conditioners, gas heaters and any source of naked flames.
- Pour **EXECUTE** Residual Insecticide into a hand operated sprayer and spray directly onto insects for fast kill.
- For a barrier protection of surfaces spray the surface to be treated to the point of drip or run off.
- For spraying into cracks and crevices use a flat fan nozzle with low pressure, spray into all cracks and crevices around the eaves, windows and doors
- Leave the area that has been sprayed for up to two hours and thoroughly wipe down all food preparation areas with hot water before food re-enters the room.

Packaging

- ◆ 400 gm aerosol ◆ 4 Litre polyethylene drums
- ◆ 20Litre metal tins ◆ 200 Litre Mauser

Health Hazard Information
