RED DEVIL

PREMIUM CAR WASH

Description

RED DEVIL is a highly concentrated clear red liquid detergent based on a blend of mild surfactants, soil suspending agents and corrosion inhibitors.

It is safe on all metals and painted surfaces and is extremely free rinsing and streak free even if allowed to dry on the surface.

Application

RED DEVIL has been formulated for the removal of a wide variety of soils from trucks, buses, cars and also building exteriors. Soils would include grease, oil, carbon and mud.

Features & Benefits

- Safe on all surfaces
- Free rinsing - will not streak
- Suitable for use in soft or hard water
- Can be applied through a foaming unit
- Mild detergent ensures operator safety
- Low viscosity for automotive wash systems

Directions

Manual:

Cleaning Dilute 1: 20 in a bucket (1 cup per 9 litres), apply by mop or sponge then rinse off with clean water.

High / Low Pressure Sprayer:

Use concentration will be between 2 - 10 % (dilution rate will be dependent on the degree of soiling) then rinse off with clean water.
