TY BUMP

Tyre Dressing

Description

TYBUMP is a blend of silicones and solvents formulated to enhance and protect automotive trim, including plastics, vinyl and rubber.

Application

Plastic bumper trim and mirror mounts. Tyres and mud flaps. Door protective strips and seals.

Precautions

Store in a secured container out of reach of children.
Ensure adequate ventilation when using this product and keep away from sources of heat or naked flame. **TYBUMP** may produce a highly flammable vapour.

Directions

Clean and dry surface to be treated first. Apply **TYBUMP** neat with a soft cloth or atomiser spray. Avoid overspray on paintwork and glass. For tyres and mudflaps, a paintbrush is the quickest and most economical method.

Packaging

- ◆ 20 Litre metal drums

Health Hazard Information

See separate Health and Safety Data Sheet, available on request.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied. Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
