## STAIN AWAY - PRE SPRAY

### All Purpose Spotting Agent

#### Description

**STAIN AWAY - PRE SPRAY** is a pale yellow liquid with a pleasant eucalyptus fragrance. It combines a blend of protease enzymes, surfactants, emulsifiers and specialty solvents to produce a heavy duty spotter.

#### Application

**STAIN AWAY - PRE SPRAY** is specifically formulated for use as a general purpose spotter on laundry garments and carpets. The careful blending of solvents and emulsifiers effectively and safely removes all types of stains

#### Feature and Benefits

- ❖ Safe on all fabric, contains no harmful solvents.
- ❖ Contains eucalyptus to leave a pleasant residual odour
- ❖ Extremely free rinsing
- ❖ Extremely effective in removing blood, milk based products and protein stains due to it's enzyme activity

#### Directions

Apply using a foam applicator and spray onto the stain. Work in gently with a damp sponge, then sponge off with a clean damp sponge or wash during normal wash cycle.

#### Packaging

- ◆ 750ml bottle Polyethylene bottle

#### Health Hazard Information

See separate Health and Safety Data Sheet, available on request.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied. Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
