SCOPE

Heavy Duty Industrial Detergent Powder

Description

SCOPE is a highly alkaline, caustic based fully built detergent compound for processing heavy stains found in the Food Industries and Abattoirs.

Application

- Ideal for white work either cotton or polyester/cotton blends. May be used in conjunction with an alkali or alone as a "one shot" product.
- SCOPE dissolves rapidly and rinses freely.

Directions

Caution: Handle with care: Contains 25% caustic soda.

Use at the rate of 250 grams to 500 grams per 45 kg of soiled work.

Use with a low level of water for 10 minutes.

Sometimes a second wash may be necessary depending on soilage.

For best results use at 60°C to 80°C.

Packaging

- ◆ 20 Kg polyethylene pails

Health Hazard Information
