# SANIVAPOUR

## Specialty Sanitiser & Odour Destroyer

### Description

**SANIVAPOUR** is a clear amber liquid based on a blend of tertiary amine surfactants and a pleasant floral fragrance.

### Application

**SANIVAPOUR** is suitable for all applications where a powerful cleaner sanitiser is required to destroy a wide range of bacteria as well as absorbing and destroying all unpleasant odours. It is suitable for applications in nursing homes where it will effectively eliminate all malodours such as urine as well as imparting a long lasting residual floral fragrance.

SANIVAPOUR will also destroy odours associated with the following:

- Rubbish Bins
- Grease Pits
- Drains
- Portable Toilet Systems
- Dog Kennels
- Upholstery (cigarette smoke)
- Clothes though laundering through a washing machine
