

PRODUCT INFORMATION SHEET

GREASOL K4

Heavy duty detergent

GREASOL has been formulated to quickly remove grease, fat, dirt, protein and oil from a variety of surfaces.

GREASOL is particularly effective on food plants and kitchens when used as directed. GREASOL is approved for use in food plants.

Description

- ❖ GREASOL is a straw coloured heavy duty liquid detergent. GREASOL is a blend of nonionic surfactants, solvents, glycoether, inorganic water conditioning agents and soil antideposition agents.

Features and Benefits

- ❖ Effective in hard and soft water.
- ❖ Particularly effective in the removal of heavy soil deposits found in kitchen and food plants.
- ❖ Free rinsing to ensure a nonslip finish.
- ❖ A.Q.I.S. approved. • Economical fast spray-on, wipe-off application.
- ❖ Versatile in use as manual, spray or mechanical applications are able to be used.

Suitability for food preparation areas

- ❖ GREASOL is suitable for use in kitchens and food preparation areas

Directions for Use

- ❖ For heavy duty cleaning, use at a concentration of 15-25 ml/litre (1 cup per bucket in hot water). Use with a mop, brush, sponge or spray. Wear gloves if using the product for manual cleaning. If deposits are heavy allow solution to penetrate for 5 minutes but do not allow to dry.
- ❖ Rinse well with warm water.

Packaging

- ❖ 5 Litre polyethylene drums ♦ 15 Litre polyethylene drums

Health Hazard Information

- ❖ See separate Health and Safety Data Sheet, available on request.

The Product Information Sheet supersedes all previous issues for this product. Information contained herein is offered in good faith as being true and accurate to the best of our knowledge, but as the conditions of use are beyond our control, no guarantees are either stated or implied. Where health or safety data given discloses a risk to the user or the environment, it is the responsibility of the purchaser to pass on the information to employees who may be using the product, ensuring that adequate safety procedures are used, including good industrial hygiene.
