

Citrus Tyre Shine

Conscientious car owners know it's a challenge to keep a new car looking showroom new. They also know that dull, dirty tyres take away from that new-car look. Citrus Tyre Shine is the answer. Dark, rich, clean-looking tyres provide the finishing touch to a clean car. Citrus Tyre Shine protects both old and new tyres from dirt and weather. Citrus Tyre Shine contains no chlorinated solvents or chlorofluorocarbons which harm the earth's ozone layer.

Easy to Use:

1. Ensure all loose and excess dirt is cleaned from the tyres.
2. Allow tyres to dry.
3. Spray Pyroil Citrus Tyre Shine evenly on tyre sidewall.
4. After one minute, smooth out any excess using a dry cloth.
5. Reapply periodically as required.

Features and Benefits

- Keeps New Tyres Looking New
- Makes Dull Tyres Shine
- Protects Tyres from Weather and Road Dirt
- Adds the Finishing Touch to a Clean Car

Health and Safety

This product is not likely to present any significant health or safety hazards when used correctly in the right application. Safety Data Sheet (SDS) is available on request via your local sales office or 1800 804 658 or through our website www.valvoline.com.au

Protect the Environment

Take used oil to an authorized collection point. Do not discharge into drains, soil or water.

Storage

Storage We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60 °C, exposed to hot sun or freezing conditions.
